(Stainless Steel may stay as is)

The main dispenser assembly features a top section with the Chevron logo, a large number '14', and safety instructions: 'Turn Off Engine' and 'No Smoking'. Below this is a blue banner with 'with TECHRON'. The middle section contains a FastPay card reader, a warning decal, an AVS decal, and a 'Cash Customers Please Pay First' sign. The bottom section shows the fuel selection interface with buttons for Diesel No. 2, Supreme, Regular, and Plus, and four nozzle slots labeled 92, 89, and 87. The base of the dispenser has a Chevron logo and 'Unleaded Gasoline with TECHRON'.
